We will begin with an opening meditation, have a drum circle at the Noon hour & will close with a Healers Wheel Circle at 3:30 pm & a 30-minute Ecstatic Dance Performance to close the event. We invite you to participate in these Healing & Energy building experiences.

Selection:

We will be curating the event to make sure there is a diverse and interesting selection without saturating any one area. For example, we'll strive to keep the readers to something like this: 2 tarot readers, 2 runes, 1 palmist, 1 bone reader, 1 henna artist, 1 massage person. If you do multiple things, please put what you are most known for first. Similarly, for vendors, we want to make sure there's a variety (stones/minerals, jewelry, oils, herbs, clothing, 2D art, candles, etc.) - so list all your products you plan to sell, but focus on what your specialty is. We will be assigning spots first come, first serve, as we approve the applications.

Advertising:

There will be posters and postcards distributed throughout the area, as well as newsletters, mailing lists, listings in local news & social media

Additional Opportunities:

There will be spaces for 3 lectures/workshop sessions at the 11am, 1pm & 3pm hour mark, approximately 30 to 45 minutes long. The space also doubles as question & answer time after presentations and a community snack & chat space when sessions are not happening, to keep folks at the event engaged. This is a great way to talk about and promote what you do.
